**Commissioner for Patents**

The timely submission under 37 CFR 1.129(a) filed on 7/6/2010 is not fully responsive to the prior Office action because Applicant has not provided the proper status identifiers for claims 7-10, 14, and 15. The claims stand withdrawn from consideration to a non-elected invention. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action.
